

NEW YORK UNIVERSITY

CSC-101 INTRO TO PROGRAMMING LANGUAGE

TUTOR: RAIYAN REZA
STUDENT NAME: AMEEN

Class Problem Set 4: Functions, Lists, Tuples, Dictionaries
July 28, 2022

Instructions

Unless stated otherwise assume you cannot access any additional materials or resources. You cannot use any IDE or programming environments such as VS Code. You may write your code using pen and paper, word processor such as MS Word, or plain text editor such as NotePad.

Functions, Lists, Tuples, Dictionaries

Questions will be based from Recitation 9 for NYU Shanghai's Intro To Computer Programming Class on the topics of Dictionaries and provided in class.
